Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 12 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A bright evening and clear night.

This Evening and Tonight:
Largely sunny this evening, and clear for much of the night. A little patchy mist possible by dawn. Rather humid and muggy leading to an uncomfortable night for some. Minimum temperature 8 deg C (46 deg F).

Sunday:
Any initial mist or fog quickly clears. Then dry and largely sunny, and becoming very warm for many places. However, coastal locations will be slightly cooler as light sea-breezes develop. Maximum temperature 26 deg C (79 deg F).

Outlook for Monday to Wednesday:
Mainly dry and sunny each day with light winds and sea-breezes. However, Wednesday there is an increasing chance of thunderstorms. Generally warm or very warm, but locally hot on Monday.
